Named Executive Officers

On July 24, 2008, the Committee also approved an increase in the annual base salary for the Company’s named executive officers in connection with the Committee’s annual review of base salary compensation. The base salaries for the Company’s executive officers are reviewed annually by the Committee based on recommendations of the Chief Executive Officer (“CEO”), with input from the Committee’s independent compensation consultant, BDO Seidman, LLP, and the Company’s compensation and benefits staff. The CEO’s base salary is reviewed and approved by the Committee based on its review of recommendations by the Committee’s independent compensation consultant and the Company’s compensation and benefits staff.

In evaluating the increases in base salaries for the Company’s executive officers, the Committee considered a number of factors, including: the executive’s experience, sustained level of performance in the job, pay relative to other executives, and average base salaries paid to comparable executives of the Company’s peer group. The following named executive officers received an increase in base salary, effective July 1, 2008:
